To Whom It May Concern:

It is with the utmost enthusiasm that I recommend Oboubé for any and all future endeavors. Since March 2022, Oboubé has worked with illuminAid as a Local Video Trainer, video consultant, and translator for illuminAid's work in Togo. Oboubé has proven himself to be a reliable, trustworthy, and effective asset to our organization.

We first worked with Oboubé on a Video Education Workshop in the Kara district of Togo, where he was the small group leader for a four-day video training program with a local NGO. From the first day, he demonstrated confidence, expertise, and humility in his role, along with a genuine desire to step up and lead where appropriate. He built a strong connection with his small group and by consequence, strengthened the relationship between illuminAid and the NGO as well.

Oboubé is a hard worker with compassion for those in need and has a heart to help the world around him. He has the desire to learn and grow, seeks out constructive criticism, is always willing to go the extra mile and lend a hand, and is an excellent team player. In short, he is a professional.

To Whom It My concern,

I, the undersigned, Gunnery Sergeant Tibesar, Adam R, Detachment Commander of United States Marine Corps at U.S. Embassy Lomé, Togo,

I attest that **Mr. Oboube Aime Tossah** of the label (**VUEDUCIEL EMPIRE**) has provided photography and videography services during the 247th United States Marines Corps Birthday Ball 2022 by the Detachment of Lomé at the Hotel 2 Février Hotel on 12th November 2022.

It is said that a picture is worth a thousand words; a statement that I completely agree with. The only question is if those thousand words are positive or negative. To me the value of quality pictures is extremely high. Mr. Oboube Aime Tossah worked for us to provide photography service during official Marine Corps Ceremony, cocktail hour, dinner and festivities. His work was unbelievable. The story that he captured with his images was so amazingly strong that it can be used to create a book to tell the story of the celebration.

I have learned that many people can take a technically perfect picture, but very few people have the creative eye to take a picture that tells a story. Mr. Oboube Aime Tossah has the ability to do both and I enthusiastically recommend him to you.

Though Mr. Oboube was contracted to provide photography service to the 247th United States Marines Corps Birthday Ball 2022, he volunteers himself to provide also a video coverage for the event and the videos that he produced were professional and remarkable. As an experienced, Mr. Oboube Aime Tossah has been excellent in his work throughout.

To the extent of my true knowledge and as far as I know, Mr. Oboube Aime Tossah is a man of excellence and has inbuilt photography and videography techniques, and I believe him to be the perfect fit for your company.

Thus, I recommend him to your company, and I assure you that you won't regret choosing him for any position related to photography and videography. Please feel free to contact me with any questions or further comments on my recommendation for **Mr. Oboube Aime Tossah** of the label (**VUEDUCIEL EMPIRE**).
