SUMMARY

I have a professional background as a Film Producer, Line Producer and Production Manager, and have been involved in making films since 2009.

I have set up two companies in the field of Cinema and audiovisual contents: Redigital (Post Production company) and Kimerafilm (Production Company)

Since the establishing of this two companies I have focused on working on multiple projects as Producer.

In the latest years I am working as Line Producer and Production Manager.

I have also worked as a Fixer in international TV productions such as "Anthony Bourdain, Parts Unknown", "Jamie Cooks Italy" and "Mind of a Chef".
